CARGOJET INCOME FUND INFORMATION CIRCULAR

Solicitation of Proxies

This information circular is furnished in connection with the solicitation of proxies by the trustees (the "Trustees") of Cargojet Income Fund (the "Fund") for use at the annual and special meeting (the "Meeting") of holders of units (the "Unitholders") of the Fund to be held at the time and place and for the purposes set forth in the accompanying notice of meeting. References in this information circular to the Meeting include any adjournments thereof.

It is expected that the solicitation of proxies will be primarily by mail, however proxies may also be solicited personally by agents of the Fund. Proxies may also be solicited personally or by telephone by Trustees of the Fund or by directors, officers or regular employees of the Fund and its subsidiaries without special compensation. No solicitation will be made by specifically engaged employees or soliciting agents. The cost of solicitation will be borne by the Fund.

The Trustees of the Fund have by resolution fixed the close of business on April 3, 2007 as the record date, being the date for the determination of the registered holders of securities entitled to receive notice of and vote at the Meeting. Duly completed and executed proxies must be received by the Fund's transfer agent at the address indicated on the enclosed envelope no later than 48 hours (excluding Saturdays, Sundays and holidays) before the time of the Meeting or any adjournment of the Meeting.

Unless otherwise stated, the information contained in this management information circular is as of April 4, 2007.

Appointment and Revocation of Proxies

The persons named in the enclosed form of proxy are Trustees of the Fund. **A Unitholder desiring to appoint some other person, who need not be a Unitholder, to represent the Unitholder at the Meeting may do so by striking out the names of the persons designated therein and by inserting in the blank space provided for that purpose the name of the desired person, or by completing another proper form of proxy and, in either case, delivering the completed and executed proxy to the registered office of the Fund's transfer agent indicated on the enclosed envelope not later than the close of business on the second business day preceding the day of the Meeting (excluding Saturdays, Sundays and holidays).**

A Unitholder delivering the enclosed proxy may indicate the manner in which the appointee is to vote with respect to any specific item by checking the appropriate space. If the Unitholder giving the proxy wishes to confer a discretionary authority with respect to any item of business then the space opposite the item is to be left blank. The units represented by the proxy submitted by a Unitholder will be voted in accordance with the directions, if any, given in the proxy.

A proxy given pursuant to this solicitation may be revoked by instrument in writing, including another proxy bearing a later date, executed by the Unitholder or by his or her attorney authorized in writing, and deposited at the registered office of the Fund's transfer agent at any time up to and including the last business day preceding the day of the Meeting or with the Chairman of the Meeting on the day of the Meeting or in any other manner permitted by law.

Exercise of Discretion by Proxies

The persons named in the enclosed form of proxy will vote the units in respect of which they are appointed in accordance with the direction of the Unitholders appointing them. **In the absence of such direction, such units will be voted in favour of the election of the Trustees and Directors and the appointment of auditors referred to below and the passing of all of the resolutions described below. The enclosed form of proxy confers discretionary authority upon the persons named therein with respect to amendments or variations to matters identified in the notice of meeting and with respect to other matters which may properly come before the Meeting.** At the time of printing of this information circular, neither the Trustees of the Fund nor the directors or officers of Cargojet GP Inc. (the "GP") are aware of any such amendments, variations or other matters to come before the

Meeting. However, if any other matters which are not now known to the Trustees of the Fund or the directors or officers of the GP should properly come before the Meeting, the proxy will be voted on such matters in accordance with the best judgment of the named proxies.

Interest of Certain Persons or Companies in Matters to be Acted Upon

To the knowledge of the Trustees of the Fund, the trustees of Cargojet Operating Trust (the "Operating Trust") and the directors and officers of the GP, except as set out herein and except insofar as they may be Unitholders of the Fund, no Trustee of the Fund, trustee of the Operating Trust, director or officer of the GP, or any proposed nominee for election as a Trustee of the Fund, trustee of the Operating Trust or director of the GP, or any associate or affiliate of the foregoing persons, has any material interest, direct or indirect, by way of beneficial ownership or otherwise, in matters to be acted upon at the Meeting.

Voting Securities and Principal Holders of Voting Securities

The beneficial interests in the Fund are divided into two classes, designated as "units" and "special voting units". Each unit represents an equal undivided beneficial interest in any distribution from the Fund and in any assets of the Fund remaining in the event of termination or winding up of the Fund. The special voting units were issued to the holders of class B limited partnership units ("Exchangeable LP Units") of Cargojet Holdings Limited Partnership (the "Partnership") at a rate of one special voting unit for each unit of the Fund into which the Exchangeable LP Units are exchangeable. Each unit and special voting unit entitles the holder thereof to one vote on all matters to be acted upon at the Meeting. Units and special voting units are collectively referred to herein as the "Units".

As at April 4, 2007, the following voting securities in the capital of the Fund were issued and outstanding:

Units	6,698,863
Special Voting Units	2,232,955

The Trustees have fixed the record date of April 3, 2007 for the purpose of determining Unitholders entitled to receive notice of and vote at the Meeting. Only persons registered as Unitholders on the books of the Fund as of the close of business on the record date are entitled to receive notice of and vote at the Meeting. The failure of any Unitholder to receive notice of the Meeting does not deprive the Unitholder of the right to vote at the Meeting.

To the knowledge of the Trustees, no person or company beneficially owns, directly or indirectly, or exercises control or direction over, voting securities of the Fund carrying more than 10% of the voting rights attached to any class of voting securities of the Fund other than:

<u>Name</u>	<u>Owned on a Fully Diluted Basis</u> <u>#/%⁽¹⁾</u>
The Virmani Family Trust ⁽²⁾	1,808,693/20.25%
MFC Global Management (Canada), a division of Elliott & Page Limited	1,017,500/11.39%

Note:

⁽¹⁾ The information as to Units beneficially owned or over which control or direction is exercised, not being within the knowledge of the Fund, has been furnished by the Unitholders listed above.

⁽²⁾ Ajay Virmani is a trustee of the Virmani Family Trust and is the President and Chief Executive Officer of the GP. Ajay Virmani also holds 227,503 Units personally which represent approximately 2.5% of the issued and outstanding Units on a fully diluted basis.

Note:

- (1) The amounts set out in the table above for 2005 have been annualized to reflect the compensation of the Named Executive Officers that would have been paid to such Named Executive Officers for the period of January 1, 2005 to December 31, 2005 had the Fund been a reporting issuer for the entire year. The amounts set out above for 2005 are derived from the compensation paid to or earned by each Named Executive Officer from June 9, 2005 to December 31, 2005. See also "Employment Agreements" below.
- (2) The amounts set out in the table above for 2006 for Ajay Virmani, Dan Mills and Jamie Porteous reflect amounts accrued under the Short Term Incentive Plan (STIP) further described on page 4 of this Information Circular under the heading "Employment Agreements"

Long Term Incentive Plan

The officers and key employees of the GP and other subsidiaries of the Fund are eligible to participate in the Partnership's Long Term Incentive Plan (the "LTIP"). The purpose of the LTIP is to provide eligible participants with compensation opportunities that will enhance the Partnership's ability to attract, retain and motivate key personnel and reward officers and key employees for significant performance that results in the Partnership exceeding its per unit distributable cash targets. Pursuant to the LTIP, the Partnership will set aside a pool of funds based upon the amount, if any, by which the Fund's distributable cash per unit (as measured on a fully diluted basis, assuming the exchange of all of the Exchangeable LP Units), exceed certain defined distributable cash targets. The Partnership or a Trustee will purchase Units in the market with this pool of funds and will hold the Units until such time as ownership vests to each participant.

The Compensation and Nominating Committee of the board of directors of the GP is responsible for administering and making recommendations concerning the operation of the LTIP and any employee bonus plans. The board of directors of the GP have the power to, among other things: (i) determine those individuals who will participate in the LTIP; (ii) determine the level of participation of each participant; and (iii) determine the time or times when LTIP awards will vest or be paid to each participant.

Initially, the LTIP will provide for awards that may be earned based on the amount by which distributable cash per annum per Unit (as measured on a fully diluted basis, assuming the exchange of all of the Exchangeable LP Units) exceeds a base threshold per Unit per annum. The percentage amount of that excess which forms the LTIP incentive pool will be determined in accordance with the table below:

<u>Percentage by which distributable cash per Unit Exceeds the Base Threshold⁽¹⁾</u>	<u>Maximum Proportion of distributable cash Available for LTIP Payments</u>
5% or less.....	10% of any excess over the base threshold
over 5% to 10%.....	15% of any excess over 5% to 10%
greater than 10%	20% of any excess over 10%

Note:

(1) Annualized for fiscal periods of less than 12 months.

The base threshold will be subject to adjustment by the board of Trustees of the Fund.

LTIP Awards in Most Recently Completed Year and Other Compensation Matters

No LTIP awards were paid to Named Executive Officers in the financial period ended December 31, 2006.

There are no pension plan benefits in place for the Named Executive Officers.

Employment Agreements

Each of Ajay Virmani, Dan Mills and Jamie Porteous entered into an employment agreement on June 9, 2005 for an indefinite term; to reflect employment terms that became effective in June 2004. Initially, Mr. Virmani was paid an annual salary of \$325,000 and Mr. Mills and Mr. Porteous were each paid an annual salary of \$250,000, pursuant to their respective employment agreements. In March 2007, the base salaries for each of Mr. Virmani, Mr. Mills and Mr. Porteous were increased to \$400,000, \$300,000 and \$300,000, respectively, and took effect as of March 4, 2007, in the case of Mr. Virmani and March 18, 2007, in the case of Mr. Mills and Mr. Porteous. These compensation increases were recommended and approved by the Compensation and Nominating Committee of the Board to bring Mr. Virmani's, Mr. Mill's and Mr. Porteous' respective salaries more in line with executive salaries paid by comparable businesses and in recognition of the Fund's overall performance. Each of these employment agreements provides for various perquisites, including a car allowance and home office allowance, health and other benefits, which in aggregate amount to approximately \$79,000 annually for Mr. Virmani, and approximately \$65,000 annually for Mr. Mills and Mr. Porteous. In addition, participation in a short-term incentive plan allows the

Named Executive Officer to earn a bonus from 25% to 75% of his salary upon the Fund meeting certain distributable cash targets ranging from \$10.9 million to \$13.4 million. The Named Executive Officer is also entitled to participate in the LTIP. The Named Executive Officer may resign by providing not less than six months written notice to the Company, which notice may be given no earlier than 18 months following the effective date of the employment agreements, with certain exceptions. Each employment agreement provides that if the Named Executive Officer is terminated by the Company without cause, he is entitled to a lump sum severance payment equal to his employment income for income tax purposes in the previous calendar year (less any required deductions), with monthly increases to the calendar year period, up to a maximum amount, after the completion of twelve years of continuous employment. The Named Executive Officer will continue to receive benefits, with certain exceptions, for one year following such termination without cause. The Named Executive Officer will receive a similar lump sum severance payment and benefits if within one year after a "Change of Control" (as defined therein) he is terminated without cause or resigns for "Good Reason" (as defined therein). In the event that the Named Executive Officer is terminated by the Company for cause, he is entitled to receive his compensation (including unused vacation pay) to the date of notice of termination.

Additionally, pursuant to each of these employment agreements, the Named Executive Officer is bound by a non-competition provision during the period of his employment and for a period of two years after the termination of his employment by the Corporation for cause or voluntarily by the Named Executive Officer, or for a period of one year after the termination of his employment by the Company without cause, with certain exceptions. Additionally, each employment agreement includes a non-solicitation provision during the term of employment of the Named Executive Officer and for a period of two years following the termination of his employment, with or without cause.

Compensation of Trustees of the Fund and Directors of the GP

For the year ended December 31, 2006, compensation for directors of the board of directors of the GP (the "GP Board") was \$30,000 per director per year, \$1,200 per director for attending board meetings of the GP Board and \$1,000 per director for attending committee meetings of the GP. In addition, Mr. Baxter, Mr. Francis and Mr. Webster each received \$25,000 as a bonus for fiscal 2006. The lead director of the GP Board and the Chairman of each of the Audit Committee, Compensation and Nominating Committee and Corporate Governance Committee receive additional remuneration of \$5,000, respectively, per year. The Fund or the Partnership will also reimburse Trustees and directors for out-of-pocket expenses for attending meetings. No director compensation is paid to directors who are members of management of the GP and no director receives compensation for acting as a Trustee (other than for fees for attending board or committee meetings of the Fund that do not run concurrently with meetings of the GP Board).

None of the directors or Trustees were compensated in their capacity as director or Trustee by the Fund or any of its subsidiaries, as applicable during the financial year ended December 31, 2006 pursuant to any other arrangement or in lieu of any standard compensation arrangement.

Indebtedness of Trustees, Directors, Executive Officers and Employees

As at April 4, 2007, no current or former Trustee, director or executive officer or employee of the Fund or any of its subsidiaries, as applicable, is indebted to the Fund or any of its subsidiaries, nor has the indebtedness of any of them to another entity been the subject of a guarantee, support agreement, letter of credit or similar arrangement or undertaking provided by the Fund or any of its subsidiaries.

Liability Insurance

The Fund provides insurance for the benefit of the Trustees and directors and officers of the Fund's subsidiaries against liability incurred by them in such capacities. The current annual policy limit is \$15.0 million and contains a deductible of \$250,000. For the policy year of May 17, 2006 to May 17, 2007, the Fund paid an annual premium of \$135,000 for this insurance. Under the policy, each entity has reimbursement coverage to the extent that it has indemnified the Trustees or the directors and officers of such entity.

Interests of Informed Persons in Material Transactions

No informed person of the Fund, nor any proposed nominee for election as a Trustee of the Fund, trustee of the Operating Trust or director of the GP, nor any associate or affiliate of such persons, has had any material interest, direct or indirect, in any transaction or any proposed transaction since the commencement of the Fund's last financial year or in any proposed transaction, which has materially affected or would materially affect the Fund or any of its subsidiaries.

Composition of the Compensation and Nominating Committee

The Compensation and Nominating Committee of the GP assists the GP Board by making recommendations to the GP Board concerning the appointment, hiring, compensation, benefits and termination of senior officers and all other significant employees of the GP and the Company. The Compensation and Nominating Committee reviews on an annual basis the Chief Executive Officer's goals and objectives for the upcoming year and provides an appraisal of the Chief Executive Officer's performance. The committee also administers and makes recommendations regarding the operation of the LTIP and advises the GP Board in filling vacancies on the GP Board and periodically reviewing the composition and effectiveness of the GP Board and the contributions of individual directors.

The Compensation and Nominating Committee of the GP is comprised of Craig Baxter, Terence Francis and John Webster, all of whom are "unrelated" within the meaning of National Instrument 58-101 – Disclosure of Corporate Governance Practices ("NI 58-101").

Report on Executive Compensation

The Fund's executive compensation program is composed of base salaries, short-term incentives in the form of cash bonus opportunities and perquisites and long-term incentives in the form of participation in the Fund's LTIP. The various components of the Fund's executive compensation program are designed to play a role in:

1. Providing a fair and competitive level of compensation;
2. Retaining and motivating its executives who are critical to the Fund's long-term success;
3. Rewarding performance, both on an individual basis and with respect to the business in general; and
4. Reinforcing the link between the Unitholders' interest and the compensation of the Fund's executives.

In order to achieve these objectives, the compensation paid to executive officers consists of the following three components; (a) base salary; (b) short-term incentive in the form of STIP participation; and (c) long-term incentive in the form of LTIP participation.

Base Salary

Individual executive salaries are normally set with a view towards similar companies and with the intention of attracting and retaining individuals with the appropriate skill sets.

Short-Term Incentive Plan

Pay for performance is an important underlying principle of the Fund's executive compensation philosophy, with the result that variable compensation can represent a substantial proportion of total compensation. The Fund administers a short-term incentive plan, which is based on the Fund meeting certain Distributable cash targets. Such short-term incentives, if applicable, are paid shortly following the year in which they are earned.

Long-Term Incentive Plan

The Fund has adopted an LTIP. Awards are granted at the discretion of the GP Board upon recommendation by the Compensation and Nominating Committee based on the amount by which distributable cash per annum per Unit exceeds a base threshold per Unit per annum. See “Long Term Incentive Plan” above.

Compensation of the Chief Executive Officer

The three main components of the compensation of the Chief Executive Officer are base salary, STIP and a long-term incentive based on participation in the Fund’s LTIP. Competitive benefits and perquisites are also provided.

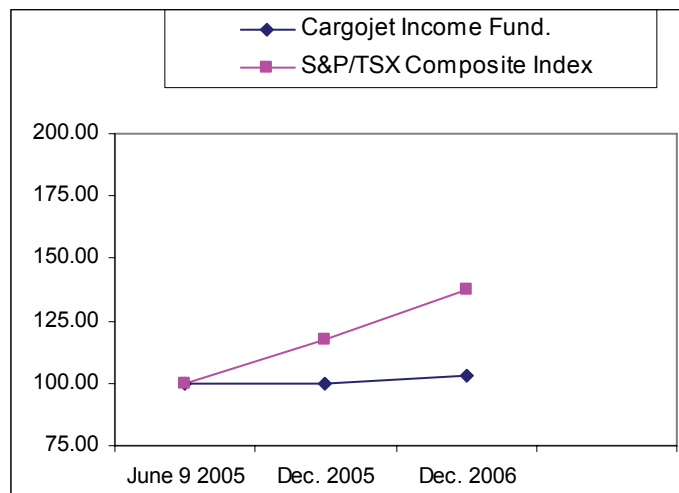

The components of the Chief Executive Officer’s compensation are the same as those which apply to the other senior executive officers of the Fund and its subsidiaries, namely base salary, bonus and long-term incentives in the form of unit options. These components are set forth in the employment agreement of Mr. Virmani and provide for a minimum base salary of Cdn\$325,000 per year (see “Employment Agreements” above for further details), which salary was increased to Cdn\$400,000 per year effective March 4, 2007. The Chairman of the Compensation and Nominating Committee presents recommendations to the GP Board with respect to the Chief Executive Officer’s compensation. In setting the Chief Executive Officer’s salary and bonus, the Compensation and Nominating Committee reviews salaries and bonuses paid to other senior officers of the Fund, salaries and bonuses paid to other chief executive officers in the industry and the Chief Executive Officer’s impact on the achievement of the Fund’s objectives for the previous financial year, including the amount of distributions paid throughout the year.

Submitted on behalf of the Compensation and Nominating Committee:

Statement of Corporate Governance Practices

Corporate Governance

In June 2005, National Policy 58-201 *Corporate Governance Guidelines* (the “Governance Guidelines”) and National Instrument 58-101 *Disclosure of Corporate Governance Practices* (the “Governance Disclosure Rule”) were adopted by the securities regulatory authorities in Canada. The Governance Guidelines deal with matters such as the constitution and independence of corporate boards, their functions, the effectiveness and education of board members and other items dealing with sound corporate governance practices. The Governance Disclosure Rule requires that, if management of an issuer solicits proxies from its security holders for the purpose of electing directors, specified disclosure of its corporate governance practices must be included in its management information circular.

The Fund and the Board recognize the importance of corporate governance to the effective management of the Fund and to the protection of its employees and unitholders. The Fund’s approach to significant issues of corporate governance is designed with a view to ensuring that the business and affairs of the Fund are effectively managed so as to enhance unitholder value. The Board fulfills its mandate directly and through its committees and the committees of the GP Board at regularly scheduled meetings or as required. Frequency of meetings may be increased and the nature of the agenda items may be changed depending upon the state of the Fund’s affairs and in light of opportunities or risks, which the Fund faces. The Trustees and directors of the GP are kept informed of the Fund’s operations at these meetings as well as through reports and discussions with management on matters within their particular areas of expertise.

The Fund’s corporate governance practices have been and continue to be in compliance with applicable Canadian requirements. The Fund continues to monitor developments in Canada with a view to further revising its governance policies and practices, as appropriate.

The following is a description of the Fund’s corporate governance practices, which has been prepared by the Corporate Governance Committee of the GP Board and has been approved by the Board.

The Board of Trustees and Board of Directors of the GP

Each of Craig Baxter, Terence Francis and John Webster being all of the Trustees that comprise the Board are independent within the meaning of the Governance Guidelines and hold regularly scheduled meetings to review the business operations, governance and financial results of the Fund without the presence of management.

The GP Board is comprised of the Trustees and two additional directors, currently the President and Chief Executive Officer and the Chief Financial Officer of the GP. Ajay Virmani, the President and Chief Executive Officer is the chairman of the GP Board and John Webster is its lead director.

To facilitate the functioning of the Board independently of management, the following structures and processes are in place:

- a non-executive lead director of the GP Board has been appointed;
- a majority of the GP Board are non-management members;
- independent committees are appointed from time to time, when appropriate.

Position Descriptions

Written position descriptions have been developed by the Board for the Chairman of the Board, the Chairman of the Audit Committee, the Chairman of each committee of the GP Board and the Chief Executive Officer of the GP.

The roles and responsibilities of the CEO are set out in the Position Description and Employment Agreement of Ajay Virmani, which is reviewed and approved by the Board with the assistance of the Compensation and Nominating Committee. See "Employment Agreements".

The Board, with the assistance of the Compensation and Nominating Committee, is responsible for identifying and recruiting new candidates for nomination to the Board. The process by which the Board identifies new candidates is through recommendations of the Compensation and Nominating Committee taking into account the following considerations: (a) the competencies and skills the Board, as a whole, should possess; (b) the competencies and skills that each existing Trustee possesses; (c) the competencies and skills each new nominee will bring to the Board; and (d) whether or not each new nominee can devote sufficient time and resources to his or her duties as a Board member.

The Board's responsibilities, in consultation with the committees of the GP Board, include periodically reviewing the charters of the Board and Audit Committee and the Compensation and Nominating Committee and Corporate Governance Committee of the GP Board; assisting the chairman of the Board in carrying out his responsibilities; considering and, if thought fit, approving requests from Trustees for the engagement of independent counsel in appropriate circumstances; preparing a set of corporate governance guidelines, a Code of Ethics and annually a "Statement of Corporate Governance Practices" to be included in the Fund's management information circular; and annually reviewing the Board's relationship with management to ensure the Board is able to, and in fact does, function independently of management.

Compensation

The Board, with the assistance of the Compensation and Nominating Committee of the GP, which is composed entirely of independent directors, determines appropriate compensation for the Trustees and directors. The process by which appropriate compensation is determined is through periodic and annual

reports from the Compensation and Nominating Committee on the Fund's overall compensation and benefits philosophies with such compensation realistically reflecting the responsibilities and risks of such positions.

The Compensation and Nominating Committee's responsibilities also include reviewing and making recommendations to the GP Board regarding any equity or other compensation plan and regarding the total compensation package of the Chief Executive Officer and other executive officers of the GP, considering and approving the recommendations of the Chief Executive Officer regarding the total compensation and benefits philosophies and programs for senior management and employees and preparing and recommending to the Board annually a "Report on Executive Compensation" to be included in the Fund's management information circular.
